Hi Michael,

It was a pleasure meeting you and Andre yesterday as well! Thank you again for the recognition, we really appreciate it and are honored to receive it. The award really validates all of the work that we're doing on campus.

You mentioned higher ed affinity groups that we could share this information with. We're currently coordinating a meeting with UCLA to host at CSUN this semester with southern California sustainability officers from all areas of higher ed - CSU, UC, community colleges, and private schools from San Diego to Channel Islands. That may be a great opportunity for you to speak if schedules work out. I'll be in touch as I have more info if you're interested.

Regards,  
Sarah
